

Youth World Show Fund Reimbursement Form

The **New England Pinto Horse Association** wants you to attend the world show. We are doing everything we can to help get you there to represent us in Tulsa. A fund has been set up assist youth members of New England Pinto with their trip to the world championship. Thirty percent of all dollars in the youth account will go to the youth at the world.

How do you get your money? It is very easy. Print out this form and bring it with you to Tulsa. Once you are in Tulsa bring this Form to either Jessica Hayes, youth leader or Karen Benson, New England Pinto president to be signed off. When you return from Tulsa you will get a check from New England Pinto as a Reimbursement!

Remember the more money we have in our fund the more money you get when you return from the world! Help us raise money at our shows or on your own. We are going to be selling raffle tickets, having auctions, selling merchandise, cleaning tack at the shows and much more! The more you put in the more you get out.
